**Authorization of an Agreement with MDOT for Utilization of City Streets as Detour Routes During the Reconstruction of Ashmun Street (I-75 BS) from 10<sup>th</sup> Avenue to Easterday Avenue:**

At the March 15<sup>th</sup> City Commission meeting, the Commission deferred action on an agreement with MDOT to utilize detours on City streets for the reconstruction of the I-75 Business Spur from 10<sup>th</sup> Avenue to Easterday. City Engineer Dave Strickland sent a letter to all of the property owners of record and known businesses asking whether they preferred a single summer construction season with a detour or a two season construction trying to maintain through traffic on Ashmun Street. 14 property owners/businesses responded with 12 preferring the single season construction with a detour and two preferring a two season construction if through traffic could be maintained during construction. Attached was a copy of the survey results and the report and agreement.

Moved by Commissioner Munsell, supported by Commissioner Stefanski

That the City Commission authorize the City Manager to execute an Agreement with the Michigan Department of Transportation for Utilization of City Streets as Detour Routes for the I-75 Business Spur Reconstruction from 10<sup>th</sup> Avenue to Easterday Avenue.

Carried: Yeas: Mayor Bosbous, Commissioner Bauer, Burton, Munsell, and Stefanski
