

YARD WASTE DISPOSAL AT CITY COMPOSTING FACILITY

Leaves, brush, and other plant waste from your yard may be hauled directly to the City Compost Facility, entrance off Easterday by the Street Department Yard, located at 1244 E. Easterday Avenue.

Leaves, grass and plant materials, and brush up to 4" in diameter will be accepted. Each type of material must be kept separate from the others. Mixtures of leaves, grass, and brush will not be accepted. Participants must remove material from bags or other containers when depositing it at the yard.

Compost Facility regular hours of operation:

Wednesdays 7:00 a. m. - 7:00 p. m.

Saturdays 9:00 a. m. - 1:00 p. m.

The City composting program is not intended for use by contractors or commercial haulers.

Part of the funding for the establishment of the City's Composting Facility was provided by a grant through the Michigan Department of Natural Resources under the Protecting Michigan's Future Bond Program.
