For the purpose of this article a transient merchant, itinerant merchant, or itinerant vendor is defined as any person, whether as owner, agent, consignee or employee, whether a resident of the city or not, who engages in a temporary business of selling and delivering goods, wares and merchandise within the city, and who, in furtherance of such purpose, hires, leases, uses, or occupies any building, structure, motor vehicle, tent, railroad boxcar, or boat, public room in hotels, lodging houses, apartments, shops, or any street, alley, or other place within the city, for the exhibition and sale of such goods, wares and merchandise, either privately or at public auction; provided, that such definition shall not be construed to include any person who, while occupying such temporary location, does not sell from stock, but exhibits samples only for the purpose of securing orders for future delivery only. The person so engaged shall not be relieved from complying with the provisions of this article merely by reason of associating temporarily with any local dealer, trader, merchant or auctioneer, or by conducting such transient business in connection with, as a part of, or in the name of any local dealer, trader, merchant or auctioneer.
