APPLICANT _____	LICENSED DRAIN LAYER OR MASTER PLUMBER	LICENSE EXPIRATION DATE	Telephone
ADDRESS _____	BUSINESS ADDRESS		

Herewith Makes Application to: \_\_\_\_\_

Size and Material Specifications: \_\_\_\_\_

Property Owner: \_\_\_\_\_ Address: \_\_\_\_\_ Telephone \_\_\_\_\_

### NOTICE

- Property owner may be responsible for additional utility lateral reimbursement fee.
- Inspection of sewer main taps and/or manhole/catch basin tie-ins by the City Street Department are mandatory. Applicant must contact Water Department for inspection purposes at least 48 hours prior to performing sewer main tap or manhole/catch basin tie-in. Telephone 632-3531 Monday through Friday. Inspection requests for Saturday inspections must be made and approved during regular weekly business hours.
- Applicant must obtain additional city street opening permit when excavating within roadway areas.
- Applicant shall be responsible for repairing or replacing any existing City improvements (curb & gutter, sidewalk, pavement, utilities, etc.) Which may be disturbed or damaged during the course of construction operations.
- All taps into storm sewer mains shall utilize a gasketed saddle wye or gasketed saddle tee (wye type preferred) with stainless steel clamps. Taps into manholes/catch basins shall be watertight and shall utilize non-shrink mortar.
- The City shall not be responsible for the accuracy of existing lateral or wye location information as contained in City Atlas or as-built maps.

I hereby agree to conform to all Municipal Regulations and Engineering Department Specifications pertaining to the proposed construction operation.
