

During June, July and August 2011, the Chippewa County Historical Society has the pleasure of showcasing six of the historic churches that grace the city of Sault Ste. Marie, Michigan. These churches are among the city's most beautiful landmark structures, but they also have played very significant roles in the unique cultural history of the Sault community.

Each Monday, one of the participating churches will be open for touring from 6:30 p.m. to 8:00 p.m. During that time, volunteer guides will be available to assist visitors. At 7:00 p.m., a program will be presented. Some of the programs will be informational lectures regarding aspects of the host church's beliefs or practices, some will be historical commentary, others will be musical performances, and still others will emphasize the art and/or architecture of the church building. The program will be followed by an optional tour of the church. All programs are free to the public, and refreshments will be served.

We invite all residents and visitors to the Sault area to join us as we celebrate these beautiful reminders of the Sault's rich and diverse cultural history.
